

Use the chart below with your Hacky Snack to unlock various sounds in your DX Henshin Belt Gavv.

Blue numbers refer to the top row of switches while **Red** refers to the bottom row.

You can remove the small plug on the side of the Gochizo to help flip the switches (note: it should be removed before using in the Driver)

	1	2	3	4	5	6	7	8	9	10	11	12
